

## "Essential tool for the groundhopper... There's no substitute for having all the fixtures sorted by date then league"

The Football Traveller magazine, sponsored by Cherry Red Records, is published weekly throughout the season and posted every Tuesday. It includes up-to-date fixtures from over 250 leagues and cups in England, Wales, Scotland, Northern Ireland and Republic of Ireland. Fixtures on an artificial pitch are marked as 3G... plus all the latest news from around the leagues, club focuses, cup draws, and much, much more... All for around £1-92 per issue (including first class postage).

There are also four pocket directories, sponsored by Masterseal Limited, which collectively provide the ground name and address, plus a contact phone number, for over 3,000 clubs covering the whole of England, Wales, Scotland, Northern Ireland and Republic of Ireland.

**PART ONE** (**SORRY SOLD OUT**) covers all clubs in England from Step 1 (Vanarama National) to Step 6 (Northern League Division Two to South West Peninsula League Premier Division) as well as a few leagues at Step 7. Wales is also included with the Welsh Premier League, Cymru Alliance in the north and Welsh League in the south.

**PART TWO** (**PUBLISHED EARLY NOVEMBER 2017**) covers the majority of leagues at Step 7 and their lower divisions as well as leagues in Wales like the Welsh Alliance, Mid Wales League and South Wales Alliance League.

**PART THREE** (**PUBLISHED FEBRUARY 2018**) covers lower local leagues in England and smaller leagues in Wales as well.

**PART FOUR** (**PUBLISHED OCTOBER 2017**) covers leagues in Scotland below the Scottish Professional Football League and includes all clubs in the three Junior regions. Also included are the Northern Ireland Premiership and NIFL plus the Republic of Ireland's SSE Airtricity League.

A **PRE-SEASON FRIENDLY LIST** with 1,500 fixtures is published during the last week of June. It can be sent as either a printed magazine or email.

The 2018 *Football Traveller* **CALENDAR** will include twelve ground photographs in a one month per page format.
