PLEASE NOTE:

Our 10th anniversary last year was a success and everybody at the clubs were very thankful. This time we are down in south of Sweden, in Trelleborg and it's beautiful surroundings. The grounds this time are located in nice areas and some are exceptional, a must visit. Let's see if we can get everyone, who likes grounds, football and nice company, to join in and tell a football story over a beer!

Last day for booking and payment is APRIL 25th 2017
